Lion's Mane Mushroom

Cognitive / Memory Improvement / Stomach Health

Lion's Mane Mushroom (Hericium erinaceus) is an edible and medicinal fungus named for its shape resembling a lion's mane.

Product	Function Ingredients&Spec	Water Solubility	Technology	Organic Optional	Part Used
Lion's Mane Mushroom Powder	Polysaccharides>2% β-glucan>20%	No	Milling	√	Fruiting Body
Lion's Mane Mushroom Extract Powder 1:1	Polysaccharides>2% β-glucan>20%	No	Milling + Decocting	√	Fruiting Body
Lion's Mane Mushroom Extract	10%-30% Polysaccharides	100% Water-soluble	Water Extraction	√	Fruiting Body
	10%-30% β-glucan	Yes / No	Water Extraction	√	Fruiting Body
	0.1%-10% Hericenone (HPLC)	No	Dual Extraction	√	Fruiting Body
	40% Polysaccharides 30% β-glucan 0.1%-1% Hericenones (HPLC)	Yes / No	Dual Extraction	√	Fruiting Body
Lion's Mane Mycelium Extract	0.2%-0.5% Erinacine (HPLC)	No	Dual Extraction	√	Mycelium

Cordyceps Militaris

Relieve Fatigue / Boost Energy

Cordyceps militaris is an entomogenous or pupal parasitic medicinal fungus. Its fruiting bodies are orange-yellow or orange-red, slender and club-shaped, growing solitary or in clusters.

Product	Function Ingredients&Spec	Water Solubility	Technology	Organic Optional	Part Used
Cordyceps Militaris Powder	Polysaccharides>2% β-glucan>10% Cordycepin 0.1% (HPLC)	No	Milling	√	Fruiting Body
Cordyceps Militaris Extract Powder 1:1	Polysaccharides>2% β-glucan>10% Cordycepin 0.1% (HPLC)	No	Milling + Decocting	√	Fruiting Body
Cordyceps Militaris Extract	10%-30% Polysaccharides	100% Water-soluble	Water Extraction	√	Fruiting Body
	10%-30% β-glucan	Yes / No	Water Extraction	√	Fruiting Body
	1%-20% Cordycepin (HPLC)	100% Water-soluble	Dual Extraction	√	Fruiting Body
	40% Polysaccharides 30% β-glucan 0.1%-2% Cordycepin (HPLC)	Yes / No	Dual Extraction	√	Fruiting Body
Cordyceps Mycelium Cs-4 Extract	10%-30% Polysaccharides	100% Water-souble	Water Extraction	√	Mycelium

Cases

01 Cases

Specification: Mushroom Extract

Quality Standard

EU / USDA Organic / EC396 / Conventional

Main Mushrooms' Proportion

Lion's Mane Mushroom ---------- 30%
Cordyceps ---------- 20%
Chaga Mushroom ---------- 15%
Shiitake ---------- 15%
Oyster Mushroom ---------- 10%-15%
Maitake Mushroom ---------- 10%-15%

02 Cases

Specification: Milled Powder

Quality Standard

EU / USDA Organic / EC396 / Conventional

Main Mushrooms' Proportion

Chaga Mushroom ---------- 30%
Lion's Mane Mushroom ---------- 20%
Reishi Mushroom ---------- 15%
Phellinus Linteus ---------- 15%
Coriolus Versicolor ---------- 10%-15%
Tremella Fuciformis ---------- 10%-15%

According to: Naturalin best-selling cases in Europe and America

Why Choose US

- ✓ Export volume: 1000 tons/year
- ✓ Global renowned coffee brand partner
- ✓ Patents technology: Mushrooms, Cordyceps militaris, Reishi, etc.
- ✓ Organic as optional
- ✓ Self owned farm base
